## NEWS AND PICTURES FOR JUNE 2015

Pictured above, the Puma boys football team showing off their team strip which is sponsored by our Rotarian Bob Antczak of McAdam Design Partnership. This team is to be our visitors on the Tuesday 2nd June meeting. We are so pleased to see them again that our meal that evening will be more in line to their taste than the usual battered haddock, which says a lot, as it's not often that our "routine" is diverted to suit the attendance of visitors. Well done J.V.P. Lisa Summers for supporting them!

It's coming to the end of another Rotary Year, but for a change, "no change", in the President's seat at table 1. However, an new "old face" will appear in July as Ian, Club Secretary, will stand down and Dave Low will again be seated as our Club Secretary on the right hand seat at the head table as President Liz continues in office until the end of December. With 19 members remaining, we need to make a big effort to recruit some more new members, and also as Jim Brown is unable to continue as a member in the future. However, I'm sure Jim will be welcome at any time. Arthur Russell is recovering well after a hip replacement operation, so hope to see him soon.

The current Rotary fundraising project is the bike run for prostate cancer on the 21st June. Whilst few of us members are capable of cycling these days, try to twist someone's arm to take part. I had to, but not to his injury as you can see below, he's a keen cyclist and has said he will take part. I'm sure between all 19 of us, each can come up with a few more participants.

Anyway, Liz has a cycle to raffle, so please make great efforts to sell the lucky square sheets provided. You can always get more!

The tea party has just taken place in the S.A. hall and over 100 oldies enjoyed the afternoon. We will have the ploughing match later this year, followed by the concert, which is completely arranged already, so, small we may be, but let's make a BIG effort to raise funds.
