NEWS AND PICTURES FOR DECEMBER 2015

Season's Greetings all! Christmas comes but once a year, and when it comes, it brings good cheer! Well, so I believe, yes, but getting a newsletter together is not so easy now that I don't have the source of information that I had when I was secretary. Also, my hearing is not so good, and I'm 83 plus, (second oldest member after Allan), so I have decided that this issue is to be my last, and now it's up to the nearest volunteer to take up the future issues, in whatever format one would like to do. The past few issues have been difficult, due to lack of information forthcoming, and a shortage of pics; So folk's, time for me to take a break.

Some good speakers of our own at meetings and Martin Milne, Residential Unit Manager at the Prison, who gave an extensive talk on the new unit.

Our Christmas Dinner takes place on the 15th; this occasion also sees President Liz complete a marathon 18 months in the "chair", and thereafter handing the chain of office to Askir Ali for him to start as President for another 18 months. Well done to the pair of them for making the effort!
