Hi! Lisa; nice lot of footballers you have, and as usual, full of mischief, I expect. Next month I hope to have pictures of the cycle event and the Concert; it only needs you lot to send them to me, or Robbie, so skates on, please!

Raffle tickets are in the printers so will be in our hands soon. Make every effort to sell as many as you can; even buy a few yourselves!

Mike Pearce is tackling the duties list for the operations, so make every effort to do YOUR turn please.
