

Rotary Club of PETERHEAD

NEWS AND PICTURES FOR FEBRUARY 2015

After a brief gap for festivities in the past month or two, things are back to normal with the Newsletter, but still with something of interest, I hope! Only two meetings in December, one of which was our Christmas Dinner, and because of the visit of the District Governor, confusion arose with regard to our usual Christmas programme. Without going into details, an apology from President Liz for getting mixed up with this official visitor has been made to the Club Council. But look, our Club has grown larger! A new member has been inducted, namely Lisa Summers, who has been known within the club activities for some time with the Puma Club. Welcome Lisa, we want you to enjoy being a Rotarian.

Who owns all the dinky toy cars! We have discovered that our own Vice President to be, Askir Ali, has a passion (and who hasn't) for **HOT CARS** , and the only way to own some is to collect them in miniature. Good for you, Askir, we enjoyed the programme. D.G. Keith Hopkins from Kirriemuir addressed the Club, mainly about supporting Foundation, which we do in our own way anyway, and so on into 2015, and "Rabbie Burns". Alan Ross gave an interesting insight to the bard's brief and tough life of that period in history at the meeting on the 20th January..

DATE	RECEPTION & VOTE OF THANKS	CASHIER	SPEAKER
03/02/15	ALLAN ROSS	WILL GARDEN	Eric Mallarkey "Buchan Vintage Tractor Club"
