Newsletter for February 2017

Hi Everyone! That's another month of winter passed and a bit closer to Spring. Of course the weather hasn't been too bad really, unusually mild in fact. Flowers and buds are starting to bloom and I'm sure my grass needs cut! Did you know, February frequently occurs in the list of the most commonly misspelt words in the English language. Also February is the only month that can pass with no full moon! This will next occur in 2018. Sorry to all you werewolves out there.

Forthcoming Events

Bowling Night - ?? April

Do you fancy a fun night of 10 pin bowling? (not at all competitive of course) ! It was suggested that we have a social night of 10 pin bowling open to all Rotarians and their families at Fraserburgh Leisure Centre - suggested date was 14th April (to be confirmed by Will). Names to Will / Dave. Perhaps it would be nice to all have supper there as well.

An Evening with Annie Moon Clairvoyant – 12th May

Susan and Shirley are organising a night with Annie Moon at Peterhead Football Club, hopefully on 12th May. If you haven't heard of her, Annie is very well known and has a large following in the North East. Further details to follow next month.

Visit to the Royal Highland Show, Edinburgh - Friday 23rd June

Neil has kindly offered to organise a bus trip to the Royal Highland Show in Edinburgh. Any members / family who would like to go, please give your names to Dave or Neil.

Spring flowers

Here is a lovely photo, kindly supplied by Dave, showing our Rotary Bench surrounded by some of the crocus bulbs which were planted last year. This is a stunning show and one which I'm sure will be appreciated by those using the Buchan Line walkway.
