

Rotary Club of PETERHEAD

NEWS AND PICTURES FOR MARCH 2015

It happens occasionally that we have a quiet, inactive month, and this poses the problem of what I can fill the newsletter with! **Larger print?** Could do, but Nah! Ah, but I know what I can do; I'll do what I can and leave Robbie to rescue me with some of his great photography! Yeh!

First meeting; we had our friend Eric Mullarkey showing a profusion of vintage tractors in procession, his passion and the way through which we make a lot of cash for charity by the ploughing match "tournament" arranged by our own Neil.

Kevin O'Brian talked about the Raise a Light scheme for Christmas lights in the town; always short of cash and of funding opportunities. He was the speaker for the 10th February, and the 17th was an information discussion on council activities.

On the 24th, Robbie saved the day with a display of super photographs, which also came to the rescue of me in finding subjects for this month's news!

An outing to the 10pin bowling took place on Thursday 26th in Fraserburgh; I believe Askir was the star player according to whisperers, and was enjoyed by members present.

So next we prepare to have the school quiz again; a board will circulate shortly for you to add your name as a volunteer on the night, so keep that in mind. Nobody wanted to go to the invitation at the Holyrood-house Garden Party, so that's the lot!

Well, it's happened; no new pictures of club visitors or activities this month, so, as noted: Robbie to the rescue!

T O W N O F  P E T E R H E A D ,

Respectfully Dedicated to the Honble. Magistrate and Council of Peterhead

Now! Who is that showing a Club Banner? No other than Peter Schneider from Ostheim, a friend of mine who sends his greetings, and he addressed the Club a year or so ago! Robbie's pics: they're beautes of Scottish Highlands and the aurora plus Peterhead in the long distant past, before Rotary came to town!
