

# Rotary Club of PETERHEAD

## NEWS AND PICTURES FOR SEPTEMBER 2015

Haven't got organised this month; excuse? Moving to new house!!! Also, I did request info for inclusion in the newsletter, but only Phyllis's contribution is available. So I'll do what I can!

Susan and Shirley have been inducted into the Club by President Liz, I've yet to get further details of their membership but should have this next month.

Remember, the outing to Fyvie Castle is this Sunday coming, so lets make it a good event in our calendar. The plooin' match is approaching, but just sell raffle tickets for a start.

One speaker I can mention; guest of Mike, is Patricia, who talked about the Buoys & Gulls Nursery, (( I like it!)), and their fundraising to help young Hamish, aged 3, who has Neuroblastoma; now that sounds as bad as it looks in print! He is being treated in Yorkhill Hospital and are fundraising to help fund future treatment for Hamish and any other local child who may need it.
