## NEWS AND PICTURES FOR OCTOBER 2015

It's that time of year again! Aye, the ploughing match and the concert: the combined event is our major fundraiser so we need to pull together and make it a big success again. The addition of new members is also going to be a help, so let's make the effort to sell raffle tickets; not easy for some of us "oldies" who don't frequently find the opportunity but at least have a go!

Our RYLA participants received their awards, and Patricia Davis was given £25 for the Buoy and Gulls nursery to help Hamish's treatment.

The pictures herewith tell their own stories, and hopefully none of us need help from Susanne Summers who talked to the Club one evening! And did our quiz evening go well!

Vice President Askir fed us well once more on the scatter meeting and a special thanks to Lisa for paying attention to thanking Askir for the nice meal.

RYLA!

Nice to have Jim Tozer and his wife attending the Quiz evening. Jim was a member of the Club in past years.

An excellent turnout of competitors in the Quiz Evening, and nearly £500 was raised ! Well done all.
